Q4 Reporting Requirements

1. Existing metrics (in current scope)

Metric	Definition	Cadence
On-time delivery %	Stops completed inside the promised window	Daily
Dwell time by depot	Median minutes at depot per route	Daily
Route adherence	Share of stops served in planned order	Weekly

Q4 Reporting Requirements

2. New for Q4 (not in original SOW)

Item	Requirement	Owner
CO2 per route	Estimated grams CO2 per km for each route, by vehicle type	Finance
Weekly CSV export	Every Monday 06:00 PT to finance@vectorfreight.io	Finance

Please provide a scope and estimate for both items before work begins.
